

I'm Not by Myself

I'm thinking of times when I had my way,

D/F# D C/G G

But I'm never ready for changes.

You told me that's why, I must look in Your eyes,

C G/B am7 C/D D

You keep me from leaving the love that You've shown me.

G D/G C/G

When everything seemed to be alright,

D/F# D C/G G

That's when I lost my affection,

For You, O that's why Lord, you changed my life,

C G/B am7 C/D D

You keep me from leaving the love that You've shown me.

am7 C/D D/G G

I'm all by myself,

am7 C/D em G/B

Left here to wonder where the days have gone,

I'm all by myself a gain,

A/C# A Dsus D

And I'm getting older, just thinking it over.

G D/G C/G

I feel it's wrong though I know it's right,

D/F# D C/G G

But there are times I can't take it,

Bsus B em7 G/D A/C# A G/B

You told me that's why, I need You beside me,

C G/B am7 C/D D

You keep me from leaving the love that You've shown me.

am7 C/D D/G G

I'm all by myself,

am7 C/D em G/B

Left here to wonder where the days have gone,

C D/C Bsus B/D# em

I'm all by myself a gain,

I'm Not By Myself

And I'm getting older, just thinking it over.

I will look to tomorrow, cause yesterday is gone,
I don't care where I've come from, only what I'll become in your eyes.

Now I know I'm alright,
Cause with You beside me I'll never be lonely,
You love me. . .

Lord, I'm not by myself,
No need to wonder where the days have gone,
I'm not by myself any more,

And I'm getting over, just thinking it over.

I'm not by myself,
I'm not by my self,
Don't need to worry 'bout what's been going on,
It's getting better the closer I come to You,
It's getting better just knowin' you'll bring me through,

O Lord, I'm not by my self,
I'm not by my self,
I'm not by my self,
It's getting better the closer I come to you,
It's getting better just knowing You'll bring me through,

O Lord, I Love You
I'm not by my self.
