O little town of Bethlehem, How still we see thee lie!

Yet in the dark streets shineth the everlasting Light;

The hopes and fears of all the years are met in thee tonight.

For Christ is born in Mary, and gathered all above,

While mortals sleep, the angels keep their watch of wondering love.

O morning stars, together proclaim the holy Birth!
D d° D G/B em D/A A D
And praises sing to God the King, and peace to men on earth.

How silently, how silently, the wondrous gift is given!
D B7 em D/A A D
So God imparts to human hearts the blessings of His heaven.

No ear may hear His coming, but in this world of sin,

Where meek souls will receive Him still, the dear Christ enters in.

O holy child of Bethlehem! Descend to us, we pray;
D B7 em D/A A D
Cast out our sin and enter in, be born in us today.

We hear the Christmas angels the great glad tidings tell;

O come to us, and abide in us, our Lord Emmanuel!
